

Santa's 10th Annual Visit to Hollywood!!!

Santa Claus will be arriving at the Hollywood Volunteer Fire Department on Sunday, November 30, 2014 (See the home page for more information on the Community Christmas Party and Tree Lighting). As in the years past, Old St. Nick has requested a tour of Hollywood to make sure he is up to date on all the new housing developments, as well as to spread some Holiday cheer throughout our fine community. Below is Santa's itinerary for his 2014 trip to good ole Hollywood, Maryland!

Santa's Tour will begin around 5:00 each night and will last until approximately 8:00. If it rains or snows, the night will be made up sometime before Christmas when the Fire Fighters are available. Just a note to the parents: The crew will remain in service each night. If we get a call for service we will treat that night as a rain night. We will be back to your neighborhood!!! If you do not see your street or neighborhood on the list, or have any question please email us at info@hvfd7.com On behalf of the Hollywood Volunteers, and Santa, we would like to wish you and yours a Happy Holiday Season!
